Seats Still Available for Estate Planning Workshop Oct. 15 in Gonzales

You plan ahead for planting, know when to expect a calf crop, and keep receipts for taxes, but have you made long-range plans regarding serious illness, injury and death? Knowing how or where to start can be daunting, but an upcoming Estate Planning Workshop in Gonzales Friday, Oct. 15, can make the journey easier and less expensive.

In the most valuable workshop you may ever attend, Dr. Wayne Hayenga, professor emeritus with Texas A&M University, attorney and award-winning speaker, will familiarize participants with the six vital documents needed for building a legal and financial fortress in the event of serious illness, injury or death. Raised on a ranch himself and the father of four, Dr. Hayenga not only understands the challenges of agriculture industry, but also the importance of keeping the farm in the family.

The Estate Planning Workshop is open to everyone and is sponsored by the Independent Cattlemen's Association of Texas (ICA), the Central Texas ICA All-Breed Bull and Female Sale, and the Gonzales Chamber of Commerce. The event will be held at American Legion at 1512 Robertson Street, and will begin at 10 a.m. with a free continuing education session for pesticide applicators. Lunch will be served at 11:30 a.m., and Dr. Hayenga's Estate Planning Workshop will run from 12:30 to 4:30 p.m. The cost of the event is \$10 per person, including lunch. Pre-registration is essential, to ensure plenty of materials, food and seating will be available. To register, call the ICA office in Lockhart at 512-620-0162.

The Independent Cattlemen's Association of Texas represents land and cattle owners on legislative and regulatory issues of importance to the cattle industry and agribusiness. For more information, contact the ICA office or visit www.icatexas.com.
