www.capitalfarmcredit.com

Our 24th Annual Southeast Texas ICA Commercial Bull & Heifer Sale is shaping up to be one of our best yet and folks, it is right here in your own back yard! The 2019 Sale Committee would like to extend our sincere appreciation to the consignors, buyers, and sponsors who continue to support our sale year in and year out. We have said it time and time again, and we mean it—this sale would not be the success it is today without all of you!

Our 2019 sale offering consists of 103 top-quality breeding age bulls across multiple breeds and 424+ highly sought after replacement females—open, bred and pairs. Easy access, no traffic, and good ole Southeast Texas hospitality—so what are you waiting for? Come on out and join us on March 9.

The sale will start promptly at 10 a.m. A Sale Order will be available at 7 a.m. and the animals will be sold in the order listed; bulls will be sold first, heifers last. Note: When bidding on heifers, multiply the bid by the # of head in the lot. There will not be a lengthy break between bulls and heifers; however, lunch will be provided around noon by the Southeast Texas Ag-Equipment Dealers.

Animals 18 months of age or older are Brucellosis tested within 30 days of the sale unless originating from a Certified Free Herd, Area or State. Please check with your AHC to determine what health papers will be required if travelling outside Texas with your purchases.
