

We are requesting that each consignor submit pictures and videos of each of their consignments. Suitable pictures and videos stand the chance of being used in advertising for the sale on social media and possibly print. Suitable pictures will also be displayed in the catalog available before and at the sale. Please note that the sales staff **WILL NOT** be making any edits to any pictures or videos that are sent in. The sales staff has sole discretion on if a photo or video is suitable to share. Blurry photos or videos for example, may not be shared if the sales staff determines that it will not help in marketing your animals for the sale.

All pictures and videos should be sent to: GonzalesCASale@gmail.com. Please make sure that you put ALL of your consignments in one email. Please do not send a separate email for each of your entries.

Picture file types should be either .jpg or .png. Please save files as follows to allow sales staff to properly match the lot to picture: **Bulls-** Ranch Name_Herd ID.jpg **Females-** Ranch Name_Tag#.png

Video file types should be either .mov or .mp4. Please save files as follows to allow sales staff to properly match the lot to video: **Bulls-** Ranch Name_Herd ID.mov **Females-** Ranch Name_Tag#.mp4

Picture Guidelines:

Bulls: A side profile picture, as seen in the example below, is the preferred picture.

Females: A group shot of each consignment lot is preferred. If you are consigning a large group that will be split into multiple lots, we can use one picture for each lot.

Video Guidelines:

Videos should be 15-30 seconds in length. Please use the following links as examples:
