PRESS RELEASE

LOCKHART, TX - The Independent Cattlemen's Association of Texas would like to extend our gratitude for Mr. Brad Cotton's exceptional service as our State President and Chairman of the organization for the past 2 years.

Brad's leadership and optimistic approach was critical in navigating through the many challenges the global COVID-19 pandemic imposed on the organization. Despite those challenges, Brad's administration was enormously successful in achieving membership growth at every level while also initiating a complete modernization of the ICA state office.

Brad's efforts resulted in a more robust advocacy strategy with state and federal lawmakers and an expansion of the ICA brand. Brad's legacy as President will be remembered as one that always put the independent producer first. The ICA Family looks forward to his continued involvement and membership on the ICA Executive Committee as Past President.
